

Remembering a Decade of Ethical Human Transplant Law 2010 – 2020

- ▶ **Year 2020 marks a milestone in the promulgation of ethical transplant law in the country.**
- ▶ **The Bill was signed into law by the then President Asif Ali Zardari who also pledged his organs after death on the occasion.**
- ▶ **Transplant Society and SIUT helped in exposing illegal organ trade, while the Law curtailed malpractices by prosecuting offenders.**
- ▶ **In Pakistan 1 person dies every 3 minutes of end stage organ failure of kidney, Liver and Heart.**
- ▶ **Deceased donation can save the lives of 8 persons of organ failure from a single donor.**
